2. Of the 102 schools under the control of the Taluk Board, 34 are held in the Board's own buildings and 45 in rented buildings. Most of the schools are suitably accommodated. The equipment of the schools also appears to be satisfactory. But as many as 42 additional teachers require to be employed by the Board. There are 4 school-less centres in the Taluk Board area and these will be provided with schools in the current year.

3. As there are more than 100 schools under the control of the Taluk Board, ^{the Board} may be permitted to debit to the Elementary Education Fund the pay of one clerk on Rs.35-1-40 per mensem.
